Containing an alphabetically arranged list of Business and Private Citizens
a classified list of Business and Professional Men, and a Miscellaneous
Directory of Town and County Officers, Public and Private
Schools, Churches, Banks, Incorporated
Institutions, Etc., Etc.

UNION PUBLISHING COMPANY OF INGERSOLL

PUBLISHERS

Entered according to Act of Parliament in the Office of the Minister
of Agriculture in the year of our Lord, one thousand
nine hundred and six.

PREFACE

In presenting to our patrons our thirteenth Directory of Windsor Sandwich and Walkerville, we hope that it will meet with approval. A thorough canvas of the towns has been made, and every effort used to obtain the name of every person who should be presented in the Directory.

Mistakes will occur, but we are confident that no more thorough canvas of the towns has ever been made.

THE CLASSIFIED BUSINESS DIRECTORY is a complete mirror of the business interests of the towns and presents them to the outside world only as a business Directory can.

THE MISCELLANEOUS DIRECTORY furnishes a large amount of information useful to Strangers.

THE STREET DIRECTORY will be found a valuable addition.

Thanking our patrons for the liberal patronage bestowed on our work we remain

Yours Respectfully,

THE PUBLISHERS
